Step 2. Set up your account in Play your talent app

3. Fill in your personal details. The industry field is not that important but try choosing the closest option for **Department** and **Team**.

Language		Department	
English	÷	MSc student 2nd year	+
First Name		Team	
		Select Teams	
.ast Name		Industry	
	_	Medical, Engineering and T	echnolo 🕯
mail			+
assword			ŧ
		Gender	
onfirm New Password		Female	4
		Age

Step 3. Take the test!

Be as honest as possible. There are 170 questions, and they can take 15-30 minutes to answer.

How to answer?

If you very strongly agree / disagree with a statement. The more you swipe towards GREEN or RED the stronger you agree (GREEN) or disagree (RED) with the statements. The scale is a dynamic range from 0 to 100, where 50 is a neutral answer.

Step 4. Explore the results!

When finished, you will see a page called "My talents" with 10 talents that empower and energize you and 10 talents that most likely drain you.

Tap on each of them to read more about your learning opportunities, challenges you might face and personal do's.

Tab "Personal Score" shows top 10 talents that make you energized and inspired! Use this information wisely to grow and learn 😌

Future oriented	My talents Personal score Company score
Description/Strength	Energizing
Is good at sensing trends and has contributes with a long- term perspective	Analytical
If you have a future oriented talent, you tend to think	Problem solving
dreamer, you spot the latest trends, and you're very visionary. You're great at inspiring others to see certain	Coordinating
opportunities in the future.	Including
Challenges	Innovative
certain things can sometimes put other people off -	Detail focused
simply because they don't share this ability. Sometimes, you forget to explain the facts and details necessary for	Flexible
people to understand your point of view. You have a tendency of envisioning great things, even when you're	Self-Confident
solving just the smallest tasks.
